

BALLERS CHAMPAGNE TO POUR BRUT AND ROSÉ AT LAWINEFEST

Guests can sample both expressions during the two-day celebration in Burbank.

LOS ANGELES, California - September 10, 2026 - Ballers Champagne is pleased to announce its participation in the 21st Annual LAWineFest, taking place September 12-13, 2026, at the Los Angeles Equestrian Center in Burbank.

Throughout both days of the festival, guests are invited to visit Ballers Champagne and sample the brand's signature Brut and Rosé expressions. The weekend offers wine enthusiasts an opportunity to experience the character, craftsmanship and distinctive presentation of Ballers Champagne firsthand.

“Discover two distinctive expressions created to elevate milestones, achievements and unforgettable moments.”

LAWineFest is celebrating its 21st anniversary with a move to the Los Angeles Equestrian Center for the first time. Its open-air, tree-shaded grounds near Griffith Park will welcome guests for a relaxed weekend of tasting, discovery and connection.

Festival guests can explore California and international wines alongside craft beverages, food trucks, live music, boutique shopping and artisan exhibitors. General admission includes festival entry, tastings and a commemorative LAWineFest glass; a limited VIP Garden experience is also available.

Guests who would like to continue the Ballers experience after the festival can purchase both Brut and Rosé through the brand's newly opened online store at ballerschampagneus.com.
